# Vision 2025

We have begun! Our Vision 2025 Committee started its first conversation last Monday night. This is a very exciting time as we begin to listen for God's preferred and promised future for Grace Lutheran Church in Fremont, OH.

On Monday night we explored Phase One of the Visioning process by **Listening to God** as we read Acts 4 verses 1-22. We learned that we are to "teach the people and proclaiming Jesus." Jesus is telling us that there is work to do, but what exactly will that look like? As we continue in the process the Holy Spirit will guide us!

And then we began to explore Phase Two...**Listening to Our Neighbors**. As we considered this next step we needed to understand that we live in the context of community. Before starting a plan for vision/mission, a congregation should look at its context beyond the church doors. Context is the area around the church where members live and work. One way to discover more about our neighborhood is to make contacts within the community and as a result we created a list of people for us to contact and interview. And that is what your team is just now going to begin to do!

Our goal for these visits is for us to gain a better understanding of community needs and opportunities. We will also want to learn how the church is viewed by the community.

After we compile all of our results from our interviews, we will begin Phase Three...**Listening to each Other**. You will all be invited to study Grace... our strengths, weaknesses, opportunities and threats. And then we will sit down and with God's guidance...and create His preferred and promised vision plan for Grace!

As we begin this new vision/mission process, please realize that this is not about church success. To focus on success is to miss the point entirely! "Vissional/Missional calls you to reenter your neighborhood and community to discover what the Spirit is doing there...to start with God's mission-and join in, shaping your local church around that mission."

God's Holy Spirit is alive and moving in our community! My thanks to all who will help create this incredible vision for God!

Pastor Jody

## **A PRAYER FOR MOM**

*(words from the video shown during services on Mother's Day)*

*Everyone of us has been born by a mother.  
And today we pray for every mom, in every home, in every nation.*

*We pray for the moms who are busy doing laundry,  
cleaning house, and preparing meals for everyone in their home.  
May you experience sanity in the middle of the crazy.*

*We pray for moms who work outside the home.  
May you experience increased energy and decreased guilt.*

*We pray for moms of children with special needs.  
May your energy be replenished,  
knowing that your heavenly reward is great.*

*We pray for single moms, may your hope  
and strength be found in our great God,  
who is the father of the fatherless.*

*We pray for expectant moms.  
May God protect the amazing life growing inside you.*

*We pray for moms who are struggling to get pregnant.  
May you experience the love of God in the  
middle of this intense and uncertain battle.*

*We pray for those whose moms have passed away.  
May this be a day of honor, freedom, and fond memories for you.*

*Thank you God for giving us these lovely,  
imperfect, sacrificial people.*

*Thank you for making yourself known to us, through them.*

*Amen*

## L.I.F.T. CHURCHES ACTIVITIES

*(Lutherans Involved in Fremont Together)*

# God's Global Barnyard

LIFT continues its commitment to act as one Body in Christ within the Fremont community. The caring ministry of LIFT 'lifts' up during the months of May and June **God's Global Barnyard**, one of the Good Gifts ministries of the ELCA. World hunger reaches to all corners of the world.

You've heard it said, "Give your neighbor a fish, they can eat for a day. Give your neighbor a community of fish and training in good business economics, they can eat for a lifetime". That is the goal of Global Barnyard.

Besides fish providing healthy meals and income, a variety of other animals support families around the world:

1. Sheep (\$125.00) provide wool for warmth and clothing, as well as milk.
2. Honey Bees (\$20) Beeswax is used to make handcrafted soaps and candles, and honey and pollen can be sold at the market as well.
3. Chicks, (\$10 for 10) when they are just a few months old begin laying eggs providing more nutritious meals. They also allow families to start a small business.
4. Goats (\$50) are especially valuable to families living in hot, dry climates, providing fresh milk which can be used to make healthy dairy products.
5. Ducks (\$20) are the best natural pesticide around and produce protein-rich eggs.

These along with cows (\$500 or \$50 a share), pigs (\$30) and alpacas can provide families with a fresh start and a means to escape the cycle of hunger and poverty for good. Please prayerfully consider joining in our efforts in eradicating world hunger.

*L.I.F.T. updates continued.*

Everyone enjoyed the Day Away Retreat at The Pines on March 22. It was a time to refresh and renew as we heard talks about the power of the Holy Spirit. Our last evening together was May 4 and it was an evening of great joy as we heard testimonies. Some of the comments were, "I felt loved, included, I learned so much about Jesus." Another said, "I loved listening to other people share their faith and giving thanks to God that we have so many blessings." The Alpha Core team will be meeting with Pastor Nancy Cullen from New Hope Vineyard, for a dinner on May 19. Pastor Nancy will be sharing with them how the Vineyard has been successful in reaching the un-churched in our community. We will then meet to schedule the next Alpha course in the fall.

### **MOTHER'S DAY AT GRACE!**

On the weekend of May 10 and 11, we were able to celebrate Mother's Day in a big way! There were gifts for the ladies as they arrived for worship. A touching video tribute to mothers and the joy of hearing our Children's Choirs sing made for an inspiring day of worship.

## **Q & A WITH THE ENDOWMENT BOARD**

### **Q: Do I need a Will?**

A: Without a will, state law dictates who will receive your assets and who will manage your estate. The state's plan for assets may not include all people you would like to benefit and definitely will not include gifts to your church and other charities. A will also allows you to appoint a guardian for your minor children, choose a representative to carry out your wishes, and decide the final destination of your estate assets.

Making a charitable bequest (i.e. giving assets to your church or other charities through a will) is the simplest way to make a planned gift. You can specify in your will the amount or percentage of assets that are to pass to the church. Your estate will receive an estate tax deduction for the bequest. There is no limit on the amount of the charitable gift made by bequest or on the amount that can be deducted for estate tax purposes.

As an alternative to a specific dollar amount or a percentage bequest, you may wish to designate the church as the "residual beneficiary" of the estate. After children, friends and others have received specific bequests, the church as a "residual beneficiary" will receive what is left in the estate.

To be sure that you have an enforceable will that accomplishes your objectives, it is best to work with an experienced estate planning attorney.

# **YOUTH NEWS**

**A NOTE ABOUT YOUTH ACTIVITIES:** There are sign-up sheets in the Activities office for each individual upcoming youth event. If you know you are going to attend an event, please write your name on the sheet. Even if it is a possibility that you may attend, please write your name down. This will enable Stacey and the several volunteers who prepare events to plan accordingly. Thank you!!

**Spirit, the Wednesday evening activities, will be taking a break over the summer months. The last evening for events was Wednesday, May 21. Spirit will resume in the fall on September 10.**

Just a reminder that Sunday School classes for children and youth continue through the summer months! Summer Sunday school is a relaxed, casual time where we have one combined class and we do everything from work on service projects to cooking in the kitchen!

Volunteers are also needed to help during the summer months, so please give Stacey Reau, in the church office, a call if interested in helping teach or assist with the class.

### PLEASE CHECK OUT THE LOST AND FOUND

**BASKET**, located in the Activities Office, if you are  
missing any items. We have many items that have  
been turned in over the last few months.

**NEW TRADITIONS!** As we continue to celebrate new traditions in 2014, we  
ask that the congregation turn and face the Processional Cross as it travels  
through the sanctuary. This is done as a way to give honor to Christ and His  
work done for us here.

**Student Uniform Exchange Room**, is now  
located in the counting room! You can pick-up what  
your child needs or drop off what your child has  
outgrown. Every day the selection seems to get  
bigger and bigger! This room is self-serve and is open  
on Sunday mornings, Monday-Friday from 10 a.m. -  
noon, and on Wednesday evenings during Spirit!  
Thank you!!

**April 24 - Samuel Carl Prosser**, son of Kurt & Katie (Simonton) Prosser, joins big brothers Jack & Ben. He is welcomed by grandparents Rob & KC Simonton and Carol (Schepflin) Prosser.
