# Grace Stories

Welcome to "Grace Stories", where each month, a Grace member will share their inspirational story with you! We hope you will enjoy getting to know your fellow Grace members!

## BLOOM WHERE YOU ARE PLANTED!

Carol Klohn blooms wherever she is planted. This gift of blooming wherever she is planted, and sowing seeds was planted in her as a child.

Carol was raised in Findlay where her grandfather was a Methodist pastor. Carol was involved in Sunday School, youth group, and with her family, went to Lakeside every summer. When Carol went off to college, she attended Ohio Northern and took courses in Biblical History and studied the Bible.

After college, Carol came to Fremont to teach 6<sup>th</sup> grade at Stamm Elementary and then on to the Junior High where she taught Reading and English. It wasn't long before the students found a caring, nurturing teacher in Carol. Carol was using her God given abilities of teaching to plant seeds. She was blooming where she was planted.

It was at this time that she met Irv Klohn. Carol didn't think she was ready for a relationship at this point but when she saw a faith filled man who treated her well, she decided to start dating. It didn't matter how late the couple stayed out, Irv always insisted he would be going to church the next morning. Irv grew up here at Grace and soon invited Carol to come to church with him.

The first Sunday Carol came with Irv, she heard the organ, the choir, and a great sermon preached by Pastor Mittermaier and she knew Grace had something here she needed. Carol and Irv were married at Grace, and she became a member.

Some of the older ladies took Carol under their wing and mentored her. They taught her to serve, and Carol began to bloom in her new church.

Carol says the more involved she got the more Grace, or any organization she was involved with, felt like home. Carol taught Sunday School, served on Church Council, was active in women's circles, worked at the Juvenile Detention Center, served on the Luther Home of Mercy Board of Directors, worked at Solomon Lutheran Church and ran a Tag-It Sale business. In all these places, Carol sewed seeds of faith and love. She was taught to serve and help others grow in faith and as she did so, she grew more and more in her own faith.

Nothing has changed for Carol. She now resides at Valley View and continues to bloom where she is planted. Carol leads a Bible Study, helps with small tasks the facility has for her, and shares her wisdom with other residents and the young adult children of residents. Carol is always available to chat with young parents about the challenges of raising children. She shares her teaching experience as well as that of being the mother of 3 children.

Carol believes in getting involved wherever life takes you. It is important to use the gifts God has given you to help others. The spiritual truth is you will come away feeling blessed yourself.

Wherever you find yourself today, bloom where you are planted. The seeds you sow will come back to be a blessing to you.

Dear Members of Grace,

Thank you for all of your kind and gracious words as I concluded my time among you as your interim pastor. The brunch after worship was festive and delicious, and the very generous gift card from the congregation was unexpected and very much appreciated. Thank you!

And thank you also for the many, many excellent memories of the times we shared over the past three years as we gathered to hear God's Word, share the body and blood of Christ, and were sent to be Christ's body in the world. "I thank my God every time I remember you." (Philippians 1:3)
