Thank You!

Dear Grace Lutheran Church Family,

What a special night! The Toledo Symphony Orchestra returned and presented another outstanding Christmas Concert.

A special surprise was the conductor for the concert's encore presentation. Nine-year-old Charlotte Hagemeyer, daughter of Kari and Jeremy Hagemeyer and granddaughter of John and Nancy Burmeister, was chosen from the audience by the symphony's conductor to lead the symphony in their presentation of *Sleigh Ride*. Charlotte was such a delight and so professional, that she received a standing ovation from the audience!

Mark your calendars, The Toledo Symphony Orchestra will return next year on *Friday, December 5, 2025.*

Thank you for your continued support of this concert!

A note from our pastor ...

One of the many familiar words that we may hear in the midst of celebrating this Christmas comes to us from the first chapter of St. John. I pray you know them well, yet I'll share them with you if you don't:

*In the beginning was the Word, and the Word was with God, and the Word was God.
He was in the beginning with God. All things came into being through him,
and without him not one thing came into being.
What has come into being in him was life, and the life was the light of all people.
The light shines in the darkness, and the darkness did not overcome it.*

Depending on when you are reading your Grace & Truth it is either late in December or early January. As you are reading, the day of Christmas may be so close that the anticipation is still building, or it may have just passed, and the New Year's Ball is soon to drop. You may even be reading this as January of 2025 has settled upon us and all of the joys, chaos, and fun of Christmas and New Year's may be behind us. Regardless of when you are reading, the image of light and life is rich within the life of faith in these holy and precious days.

As Advent draws to a close, light and life are evident as the circle of light continues to grow on the Advent wreath. Light and life are also present as the days are officially growing longer. It may be cold, gray, and ugly, but the days will be longer. Even if it is only a few seconds each day, eventually the life of Spring will burst forth once again.

As we gather to celebrate Christ's Birth, light and life are evident. Light bursts forth as the shepherds' sleep under the star lit sky. Brilliance is everywhere as the angels descend, lighting up the night sky with a heavenly glow and a song that sounds just as bright. Then of course, life abounds as Mary gives birth and we welcome our Newborn King!

Moving into January, we will celebrate the Epiphany of our Lord. Here again light and life abounds! The Magi follow the star on their faith filled journey. The star casts a glow that beams upon the home of the Holy Family. Even in the darkness of Herod's greed and deceit, light, and life shine through as Mary, Joseph, and young Jesus flee to Egypt.

Light and life are a part of our faith story! They always have been! They always will be! As we celebrate the light and life of this Holy Season and well into the New Year, how will you shine with the light of Christ that dwells within you? How will you live the life God intended? I pray that it may be with the same joy, love, and enthusiasm that many of us share throughout these blessed days!

Merry Christmas & Happy New Year!

Pastor Bailey

PASTOR'S ANNOUNCEMENTS

TOGETHER LET US TAKE TIME TO LISTEN! Every year Bishop Beaudoin sets a theme for the Synod to ponder. The theme for 2025 has been designated as the "Year of Listening". How fitting is that as we continue to grow together as pastor and people! Beginning **January 12** after worship, you are invited to what I'd like to call "Listening with a Second Ear." This will be our chance to "chat." Together we can gather to share our joys, sorrows, concerns, celebrations, ideas, and dreams. It will be a chance to ask questions and listen to each other as we grow into the future. Beyond the 12, we will strive to sit down on the second Sunday of each month and do the same. Hence the reason "second" ear. But of course, there is more to it than that, "Listening with a Second Ear" allows us time to reflect and ponder before quickly responding. My prayer is that we can use this time to do the same. *See you on January 12, 2025!*

THIS IS MOST CERTAINLY TRUE! Many of Luther's reflections within the Small Catechism end with those bold words, "This is most certainly true!" What is most certainly true? One answer may be that many of us have probably forgotten what we learned in our confirmation studies. Come and explore Luther's Small Catechism with Pastor Bailey following worship beginning on Sunday, January 19, 2025. We'll either meet in the SLAM classroom or in the Auditorium as we re-open our minds to Luther's understanding of the Ten Commandments, Apostles' Creed, Lord's Prayer, and all the rest that Luther had to share in the Small Catechism. Beyond the 19, we'll strive to gather on the first and third Sunday of the month.

SEEKING WORSHIP ASSISTANTS

DID YOU KNOW THAT WORSHIP IS MEANT TO BE AN EXPRESSION OF GOD'S PEOPLE, LED BY GOD'S PEOPLE? While we all enjoy gathering for worship on Saturday and Sunday, Pastor Bailey would love to include YOU as a worship leader. Would you prayerfully consider being a voice of hope for our world and congregation as a worship leader? Your voice would help lead our call to worship, prayers, and other areas of our time together in worship. If you are interested or would like to know more, please call Pastor or drop him an email (pastorbailey@gmail.com).

STEWARDSHIP REFLECTIONS

Throughout the month of November, our Stewardship Team challenged us to ponder how we have been "Found to be Faithful." As we move into

the New Year, each of them wanted to share your "post-it" note thoughts with you.

John Avers shared: 42 Post-It notes were shared during our first week, where we reflected on the many ways we are currently serving this congregation and/or community. Within the congregation, some of these responses included serving as a Greeter, Usher, Reader, Altar Guild Member, Communion Assistant, and Sunday School Aide. Others mentioned financial support, volunteering to serve on Church Council, assisting with Funeral Dinners and Project Day activities.

Other responses which serve the congregation, and the community included donating to or volunteering at the Food Pantry, Bridge of Hope, Soup Kitchen, and Care and Share.

All in all, it looks like we have a good number of people serving the congregation but there is always more work to be done in the community we are called to serve.

Cecelia Boucher wrote: Many times, we think our small gestures of kindness won't matter, let alone make a difference. "Little is always much" in the hands of Christ. It was quite humbling to read the many ways this congregation reaches out to one another and beyond into the community. Although we'd love to list every one of your posts, a few seemed to consistently resurface.

Smile . . . be kind . . . listen . . . send notes or texts, open doors for others, visit the homebound and nursing homes, donate to causes, and cross the aisle at worship to Share the Peace! Each and every post was treasured and important! Continue to be the light of Christ in YOUR own special way!

Kathy Burmeister shared: We are called to be faithful with much abundance. Living in the United States, we take many things for granted. Your post-its showed ways we can appreciate what we have.

These are some of the good ideas that were written. We can share our time, talents and means. We should make use of the gifts that have been given to us. We can mentor the next generations and be good examples.

Someone wrote that we should pray on a daily basis and attend church services. That is the perfect way to give thanks for what we have.

Ed Muffler wrote: STEWARDSHIP.....a journey.....not a destination!!

Each season we present a campaign to encourage all to consider their journey and to listen prayerfully to where the SPIRIT is calling/inspiring us to grow. In the final week we asked the question: In what NEW ways is God calling you to be generous? Common themes on the Post-it notes included: More, Share, Love, Thankful, Grow, Serve, Grace, Help, God's Calling, Uplifting, Open, Unexpected, Participate.....ALL inspiring words of action!

If you participated in our Post-It note challenge THANK YOU for your feedback and as always....THANK YOU ALL for your continued generosity and prayers!!!!

THE BRIDGE OF HOPE FOOD PANTRY NEEDS OUR HELP! On January 4 & 5 we will receive donations for the Bridge of Hope Food Pantry at Hayes Memorial UMC. They are in need of the following items: breakfast cereals, canned meats, rice, dried pinto beans, cans of tomato sauce, pasta, paper towels and diapers. These gifts may be placed in the grocery carts located at the entrances to the sanctuary. Thank you for your help!

The latest from Noah's Ark...

I can't believe we are heading into January already. I guess time flies when you are having fun! Our Christmas program was on December 12, and the kids practiced so hard on their songs. We loved every minute of it! Our Christmas break runs December 21 through January 5. We hope all of our wonderful families have a blessed holiday break. We will take this time off to spend with our family and friends and cherish the joy we have for one another. But we want everyone to remember the true meaning of Christmas, the birth of Jesus Christ and the celebration of God's love for all! This is a great time to pause and give thanks for the love, hope and joy found in Jesus. I hope everyone has a blessed new year!

Thank you,
